HISTORY

Hardware Tools are used by craftsmen in manual operations, such as chopping, chiseling, sawing, filing, forging, and many more. The date of the earliest tools is uncertain. Archeologists said Tools found in northern Kenya in 1969 may be about 2,600,000 years old, and even older tools may remain to be discovered.

ABOUT US

Established in 1989 in Dubai United Arab Emirates Arakan General Trading Co LLC. has become one of the prominent huge stockiest, importer and exporter of Building and Industrial hardware, Technical and Mechanical products, Hand tools, Workshop tools, Industrial tools, Materials & consumables, Soldering, Welding, Cutting, Grinding, De-burring, polishing, Brushing, and finishing products, Metal drill bits, cutters, end-mills, side and face cutters, Threading tools, Abrasive cutting disc, Grinding Disc & wheels, Flap disc & wheels, Mounted stone, Precision measuring analogue & digital gauges, Instruments, Metal harden tester, Auto workshop tools and accessories, Materials handling, lifting, Chain and lever hoist, Lifting nylon web slings, Cargo lashings, Worker safety and security products and many more.

The company is headed by Mr. AmanUllah Khan as the Owner and Managing director assisted by qualified and competent personal in marketing procurement, sales, finance and functional in various department. The AGTC staffs are not only skilled and qualified in the field but also can compete in every aspect of market position lies in UAE, GCC and Middle East business by providing high quality service and supply.

At AGTC quality and value always comes first. Accordingly, we have picked out products of esteemed brands after detailed background research on the quality, availability and reliability of each product. Our esteemed product portfolio is made up of a vast variety of quality hardware products from leading brands around the globe such as UK, Germany, Holland, Canada, France, Japan, China, Taiwan etc. We hold rights for sole distributorship for most of the products that we offer. We offer comprehensive warranties on our products in order to ensure that our clients receive continuous support, and optimum lifetime of products purchased from Arakan General Trading Co LLC.

We constantly seek ways in which we can provide maximum levels of satisfaction to our customers. We at AGTC value all our customers irrespective of whether they are retailer or wholesaler, corporate or individual; as we are committed to provide all our customers with the products of the highest quality available in the market.
